

**Gilbert POULARD**  
[Gilbert.Poulard@cern.ch](mailto:Gilbert.Poulard@cern.ch)

Dr. Gilbert Poulard is a computer-physicist member of the CERN EP Division.

He is involved in the ATLAS computing project since the early stage of the experiment.

He is currently responsible of the ATLAS Data Challenges and represents the ATLAS collaboration in the LHC Computing Grid project both in the executive board (LCG-PEB) and in the Grid Deployment Board (LCG-GDB).

In ATLAS he is member of the Computing Management Board and represents CERN in the National Computing Board.
